Description

This stunning property is situated in the prestigious 55+ Del Webb community at Grande Dunes, offering a blend of luxury and convenience in single-story living. The Martin Ray floor plan boasts a gourmet chef's kitchen, a spacious dining area, and a welcoming gathering room. A versatile flex room can serve as a den, office, or library—currently used as an office by the owner. The master suite features a large custom walk-in closet, a spacious walk-in shower, and a double vanity with ample storage. Additional highlights include a Butler's Pantry along with pull out drawers in the kitchen cabinets, granite countertops, an elegant arched foyer, hurricane-rated storm doors, and extensive storage. Relax in the heated and cooled Carolina Room, equipped with electric blinds, or enjoy the serene pond views from the patio, complete with an outdoor kitchen, pavers, and an electric awning. The home also features a full home central vacuum system that was just installed last year, custom hurricane shutters, ceramic tile in the bathrooms and laundry room, and hardwood floors throughout the rest of the living areas. The garage, front porch, patio, and Carolina Room are all finished with durable polyaspartic coating, and the garage itself is both heated and cooled with overhead storage. A pull-down attic staircase provides access to even more storage space. As a resident of Grande Dunes, you'll have access to an array of top-notch amenities, including monthly activities at the Amenity Center, indoor and outdoor pools, a relaxing spa, and sports courts for bocce, pickleball, and tennis. Enjoy leisurely walks or bike rides along the community's scenic paths, and with the convenience of golf-cart-friendly streets, running errands or heading to the beach has never been easier. Your HOA dues also include access to the exclusive Grande Dunes Beach Club, completing the ultimate beach lifestyle.
