Description

Sterling Estates—A beautifully manicured lawn surrounds this all-brick custom-built home. It is an approximately 2684-square-foot, two-story home with many custom features throughout. The front porch overlooks the stunning front lawn. As you enter the foyer, hardwood floors and soaring ceilings will be the first things you see. The formal dining area is open to the foyer. Many updates are found in the kitchen, including updated countertops, Breakfast bar, pantry closet, and an eating area. The greatroom has a gas log fireplace and cathedral ceilings. The main level master suite has trey ceilings, LVP flooring, an updated shower by Bath Fitter, and a walk in closet. The walk-in laundry room is located on the main level and has a utility sink. The guest room/home office can access the main floor hall bathroom. Upstairs, you will find two additional bedrooms, a full bath, and a large recreation room. No carpet found throughout this home! The deck overlooks a privacy-fenced backyard. Neighborhood pool and clubhouse nearby .Seller is in the process of having the house painted a neutral color.
