Description

This 1.01 acre parcel in Adams Run allows many options for the new buyer, including living in the mobile home while building a new home on this beautiful piece of property. The interior has been newly renovated and lives larger than what one sees at the exterior. New Luxury Vinyl Plank flooring, a new HVAC unit still under warranty, as well as a new well pump are a few of the perks. There is an A-frame metal RV carport situated to the back of the mobile home. A shed offers additional storage, as well. A spacious open back porch with a new metal roof provides more livability for the occupants. Beautifully cleared property far enough away from traffic, yet close enough to get to Ravenel within a few minutes.
