Description

Elegant Brick Estate on 2 Acres with potential for Dock on Collins Creek | Energy-Efficient Construction Located at the end of a quiet cul-de-sac in Bellwood Landing, this custom brick home sits on a rare 2-acre parcel backing to protected wetlands with access to Collins Creek—just off the Intracoastal Waterway. With privacy, craftsmanship, and future dock potential, this is Lowcountry living at its best. A classic façade with tall columns, arched brickwork, and manicured landscaping sets the tone. Inside, soaring ceilings, rich trim work, and a bright, open layout create inviting living spaces designed for everyday comfort and entertaining. Spacious Living & Stunning Office: The great room features a stacked stone fireplace, custom built-ins, and a wall of French doors opening to the rear porch. Arched openings, coffered ceilings, and wood-look porcelain tile flooring elevate the main living areas. The formal dining room includes wainscoting and a tray ceiling, while a nearby home office/library stuns with a two-story wall of windows, a barrel ceiling, and beautiful natural light—perfect for work or relaxation. Gourmet Kitchen: Custom-designed with functionality and style, the kitchen features richly stained cabinetry, granite countertops, stainless appliances, a gas range with custom hood, classic subway tile backsplash, and a dramatic accent wall behind the cooktop. Private Owner's Suite: The spacious primary suite includes tray ceilings, wood-look tile, and two walk-in closets. French doors lead to the rear porch. The ensuite bath is spa-like with a freestanding soaking tub on a river rock base, a walk-in shower with hand-laid glimmering tile, dual granite vanities, and stained maple cabinetry. Upstairs Flexibility: Two upstairs guest bedrooms include oversized closets and share two full baths—one with a tub/shower combo and the other with a walk-in tile shower. A large bonus room stretches across the back of the house—ideal for media, play, or hobbies—and includes dormer windows, storage, and a wet bar. Outdoor Living & Three-Car Garage: The covered back porch with arched brick columns and ceiling fans overlooks a fenced backyard bordered by trees for ultimate privacy. A three-car garage and long driveway offer plenty of room for vehicles, golf carts, or workshop space. Smart, Durable Construction: Built with 6" insulated concrete foam construction for strength, energy efficiency, and soundproofing, plus R50 attic insulation. A whole-house Generac generator and central vacuum system are added conveniences that set this home apart. Sought-After Gated Community: Bellwood Landing is a natural gas, gated neighborhood within Prince Creek West. With only 102 home sites, it offers a quiet, intimate setting surrounded by preserved vegetation and custom homes. Residents enjoy access to The Park at Prince Creek West, which includes a pool, tennis courts, playground, picnic pavilion, and nature trail. Conveniently located near golf, shopping, dining, medical facilities, and the beach, this home offers timeless design, modern efficiency, and a setting that embraces Lowcountry beauty and lifestyle.
