Description

A charming 4 bedroom 2 bath home located in a quiet well established community with sidewalks and quarter acre lots. Just five miles to the beach and close to all the shopping, entertainment & restaurants, it makes this location hard to beat. This home will welcome you with a covered front porch and a large enough driveway to fit four cars plus your own mail box conveniently located on your property. As you enter the home you will immediately notice luxury vinyl plank flooring. To the right you will find two bedrooms and a full bathroom. On your left, a stairway to go up to the fourth bedroom or bonus space which can be used for whatever your needs may be. Walking into the main living space you will find an open floor plan, a breakfast bar and eat in kitchen. Plenty of cabinets, counter space and a walk in pantry. The dining room is its own separate space and can be used as dining room or for something else. It is currently being used as a music room. There is a covered screened in back porch off the kitchen to enjoy the beautiful SC weather and private tree lined lot. The living is room a bright and spacious area to entertain and has a fire place to stay warm on chilly nights, a perfect spot to relax. The expansive owner's suite is a luxurious retreat offering plenty of space to unwind. The en suite bathroom features separate glass-enclosed shower and separate soaking tub. Dual sinks and vanity provides ample room for two. A massive walk in closet completes the suite, offering abundant storage and organization options. Book your showing today!!
