Description

No HOA! Minutes from the Beach! Fenced in backyard! Come see why 6864 Woodhaven Drive is calling your name! Boasting a split floor plan with 5 bedrooms and 3 full bathrooms, this home is waiting to be filled with memories to last a lifetime. Coming up the covered front porch, you enter the front door into the living room. Offering natural light from the front and back of the home, you have a large open den for entertaining and spreading out. From the living room you walk to the dining area that leads out to the back deck and fenced in backyard. Inside the kitchen you have new cabinets and countertops offering tons of space for cooking and spreading out while meal prepping. Also take note to all the newer stainless appliances that accent the cabinetry as well. Coming back toward the living area you have a split floor plan with 2 bedrooms on one side divided by a full bathroom, and the primary bedroom on the opposite side of the living room with a full bathroom and double vanity. This open and divided floor plan offers privacy to family and guest with the common areas in between. As you go up the stairs you come to a landing that opens into a large bonus room/flex space. Great for an office, game room or anything you would like. On each side there is an additional bedroom upstairs with another full bathroom between them. The possibilities here are endless with over 2,000 square feet and many closets for storage throughout. Some of the many recent upgrades include new upstairs HVAC, new padding and LVP flooring throughout upstairs and downstairs, new roof and exterior doors, added gutter systems with gutter guards, new kitchen cabinetry and countertops and so much more. 6864 Woodhaven is just minutes from the beach, shopping, dining and many other attractions along the Grand Strand. Here you will have easy access to Hwy 17 Business and Bypass, Hwy 31 for hopping to the other end of the coast and many other roads making this home easy to access from all areas of Myrtle Beach. Schedule your showing today and come see why this home should be your next home!!! *School assignments have been checked for accuracy, but should be verified by the buyer and buyers agent as well as square footage of the home.*
