There is parking for six vehicles, and an elevator accessing each floor. An additional 2,000 square feet of rooftop deck features a wet bar, large chess set, and an incredible aerial view of the ocean and the pool below. No luxury resort-style living experience is complete without a heated swimming pool that guests can enjoy all year, especially when the ocean is a little too cold. After a day in the sand or on the course, guests can rinse off in the outdoor shower with hot and cold water. Sunsets and dinner prep at the outdoor kitchen are accentuated by the pavilion's Polywood fire pit, barstools, and dining set. The kitchen inside is newly remodeled, with updated countertops, stainless steel appliances, shiplap accents, and faux beams. Guests are also treated to hand painted murals by a local artist featured in the kitchen as well as outside by the pool. Further improvements include 3 custom built-in queen bunks, a tankless water heater and all new furniture in the bedrooms and living rooms. Out on the porch, you find daybed porch swings for relaxing in the ocean breeze. Don't miss this special opportunity to capitalize on the booming vacation rental market in Isle of Palms.
