## Description

Private Mountain Retreat Close to Town – 7 Hearthstone Lane, Landrum, SC One of my favorite homes. Enjoy the best of both worlds in this beautifully renovated home offering privacy, stunning mountain views, and quick access to downtown Landrum's shops and restaurants. Nestled just minutes from Tryon, NC, this property offers year-round views, with breathtaking 180° vistas during the fall and winter seasons. Step inside to find a spacious, updated kitchen featuring quartz countertops, a large picture window framing the mountain view, and a seamless flow to the sunroom and covered deck—perfect for entertaining. A charming prep kitchen has been preserved from the original home, adding warmth and character. The private master suite boasts its own entrance to the sunroom, a completely remodeled bathroom, and generous closet space. Two additional en suite bedrooms are located on the opposite end of the home, offering privacy and comfort for guests. A third bathroom was thoughtfully added during the recent renovation. Throughout the home, you'll find rich hardwood floors and luxury vinyl, a cozy fireplace in the living room, and plenty of spaces to relax and unwind with friends and family. Outside, landscaped yard includes a custom-built 20x16 gardening shed zoysia sod and beautifully maintained surroundings. The unfinished basement offers potential with rough-in plumbing, a workshop area, and space for an additional bathroom—ideal for future expansion or storage. And with a full commercial-grade generator, you'll enjoy peace of mind year-round. Don't miss this rare opportunity to own a serene retreat with modern comforts and timeless charm.
