Description

****ESTIMATED COMPLETION IS JUNE**** Nestled in Boiling Springs, this home provides quick and convenient access to Boiling Springs and Downtown Spartanburg! Step inside to be greeted by a large entryway with three added windows for extra natural light. The soft beige luxury vinyl plank flooring flows throughout the entryway and into the kitchen and great room. The kitchen is packed with options, including stainless steel appliances, a gas range, a large island, and quartz countertops. When the weather outside is a little chilly, feel confident knowing you can warm up next to your gas fireplace. Vice versa, when the weather starts to warm up, enjoy your afternoons hanging out on your enlarged rear covered porch. Don't waste time watering your grass, as this home also comes with a two-zone irrigation system. Upstairs, you'll find three generously sized bedrooms, each with their own walk-in closet. The primary bedroom not only comes with a boxed ceiling, but also a five-foot tile-walled shower!
