- Central

Description

Step into a thoughtfully designed interior featuring 12' ceilings in the great room, foyer, and formal dining area, a coffered ceiling in the dining room, a vaulted ceiling in the front bedroom, and a tray ceiling in the master suite. Crown molding runs throughout the home, complementing the rich hardwood floors and porcelain tile baths. Each bathroom boasts full tile showers with frameless Shower Guard specialty glass and granite countertops, while the master bath offers a garden tub, double vanity, and a fully customized closet. The gourmet kitchen is a chef's dream, featuring custom cabinetry, Silestone countertops, a wall oven with a separate cooktop, soft-close drawers, 42" wall cabinets, and a large breakfast bar. The adjacent breakfast room is spacious enough for a full-sized table. A wet bar with a fridge in the bonus room adds to the home's entertainment appeal. All kitchen appliances and the security system convey. Significant updates have been made to enhance the home's appeal. In 2018, the interior was painted, granite countertops were added in the bathrooms, lighting fixtures in the kitchen and baths were updated, and a new kitchen backsplash was installed. In 2019, the pool was resealed, and a new heater was installed. Most recently, in 2024, a new HVAC system was added. Additionally, the porch was enclosed with climate control, increasing the heated square footage to 3,100. Seaside Plantation is a highly sought after gated community with a resort style community pool & clubhouse, located in the heart of North Myrtle Beach, close to all of the area's famous dining, shopping, golf, and entertainment attractions. You won't want to miss this. Schedule your showing today.
