Description

TWO HOMES IN ONE!! 9 BEDS 9 BATHS OVER 6700 SQ FT COMBINED!! 5 bed 4.5 bath 4700 sq ft Main House PLUS 4 bed 3.5 bath 2000 sq ft Guest House. Located in Historic Summerville, this one of a kind property is home to a successful bed and breakfast with tons of upgrades! Two completely separate residences reside on the private and professionally landscaped 1/2 acre lot. The 5 bed 4.5 bath roughly 4700 sq ft main home has 3 levels with an elevator and a separate presidential suite with its own separate access. Upon entry you are greeted with a beautiful foyer and staircase with a living room to the left with wood burning fireplace and dining room to the right. Straight ahead through the hallway you will find the primary suite to the left with full bathroom. To the right, past the elevator and half bath, you will find a gourmet kitchen with upgraded marble countertops, stainless steel appliances, double ovens, gas stove, huge island, and plenty of storage. Past the eat in kitchen space is another living room area with a bar that leads to a screened patio. Downstairs is a large laundry/craft area with a sink and newer water heater. One door leads to an oversized 2 car garage, another leads to additional garage storage, an office/mancave, and the presidential suite which are both not included in the square footage but are heated/cooled. There are covered patios off of the office and suite with their own separate entrances. The top floor has new wood flooring, 2 bedrooms with full bathrooms, a supply closet, elevator, and library nook with a massive hidden storage space behind the bookshelf. The elevator was completely rebuilt 2 years ago, can fit 2 people, and services all three levels. The 4 bed 3.5 bath roughly 2000 sq ft separate cottage has 2 entrances with 2 covered patio areas and a lifetime metal roof. One is an apartment with a full kitchen, living room, dining room, laundry, 2 bedrooms and 1.5 baths. The other entrance has a set of stairs leading up to 2 separate bedrooms, each with full bathrooms. The fenced backyard is beautifully manicured, has a new pavilion with custom outdoor fireplace and can accommodate up to 80 guests for events. You can easily fit 15 cars in the parking lot not including the garage or ample on street parking, and an additional 100 guests can fit in this side lot with added tents. Upgrades include a new tankless water heater, HVAC air purification system, Pella windows, and more. There is truly too much to list.
