Located close to the amenity center, the home itself is a 5 bedroom/3.5 bath home with all the bells and whistles. When entering the home through the beautiful custom built mahogany front door, you are lead straight into the great room featuring soaring high vaulted ceilings, a beautiful fireplace, and custom built-in shelving. Tile flooring runs throughout all of the main areas of the home. The master bedroom is on the first floor and boasts his and her closets, sitting space, and large on-suite bathroom. The upstairs space has four full bedrooms, one of which is oversized and currently utilized as a separate living room and office space. Off of this room you will find expansive extra floored storage space. In addition, there is plenty of room for parking on the brick paver driveway leading up to the attached two car garage and golf cart garage with a full shower to clean off after the beach!
