Description

Don't miss this opportunity to live in Gower Estates! One of Greenville's favorite neighborhoods. This is a totally turn-key home that's ready for a new owner to enjoy. Walk up to the rocking chair front porch from the freshly paved driveway and step inside to your newly renovated home. The English Oak floors are absolutely stunning and pair perfectly with the alabaster paint highlighted by all new dimmable lighting. The kitchen will catch your eye with quartz countertops and a quartz backsplash that flow together seamlessly. Note the custom vent hood, gas range, and open sink. Did you see it? Step through the cabinet-matching door next to the fridge to find the secret pantry and laundry room styled with tile floors and more beautiful quartz tops and cabinets! Note the tankless hot water heater and the fact that this home has all new permitted plumbing, electrical, HVAC, and roofing. Down the hall are two well sized bedrooms separated by a beautifully tiled guest bathroom complete with a tub. The 3rd bedroom and primary suite will wow you with it's incredible ensuite bathroom. Highlighted features include a dual vanity, skylight, and frameless shower with a bench. Flip the lights in the bedroom on/off twice to see their auto-dimmed feature. Out back you'll find a private yard to enjoy from your new back deck, with a mature magnolia. Schedule your showing ASAP and look for scheduled open-houses. Gower is ready for a new neighbor!
