## Description

The classic white vinyl exterior with blue accents will impress you from the moment you arrive. As you open the door, you'll find luxury vinyl plank flooring throughout the entire main level. Off the foyer, there's an office with French doors that is perfect for a home office or play area. This space leads into a generously sized dining room that flows into the family room, making it ideal for entertaining large groups. The kitchen overlooks a wooded backyard that spans nearly an acre. The cook in the family will appreciate the upgrades, including granite countertops, shaker-style cabinetry, and stainless-steel gas appliances. At the top of the stairs, you'll discover a loft that serves as an additional hangout spot for the family. The primary suite is a true oasis, featuring an oversized bedroom with double doors that open to a spa-like bathroom. This luxurious bathroom includes dual sinks with quartz countertops, a five-foot shower, a spacious walk-in closet, and two additional storage closets. Two of the secondary bedrooms share a private bathroom and feature large closets. The remaining two bedrooms also have ample closet space and are conveniently located near the hall bathroom, which is the third bathroom on this floor. Come see this beautiful home today in Fairview Falls!
