## Description

Welcome to 710 Skyland Drive. This beautifully remodeled 3 bedroom, 2 bathroom home is like new from top to bottom and sits on a large half acre private lot in the highly desirable and established Midlands community of Skyland Estates. The home's pristine condition is immediately apparent as you approach and view the new roof, new vinyl windows, and new HVAC unit. From the moment you enter through the custom entryway you find a spacious main living area that serves as a good preview for the rest of the home as it features modern daylight LED high efficiency lighting, new flooring and fresh paint from ceiling to floor. An attractive and inviting fireplace serves as an excellent focal point for the main living area and stirs up dreams of gathering around to warm up with loved ones on cold winter nights. From the living room, make your way into the designer kitchen that has been thoughtfully laid out with granite countertops, upgraded white shaker cabinets, and new stainless-steel appliances. Just a short walk down the hall you will find the three bedrooms on the main level as well as a beautifully updated bathroom. This home also features a completely finished basement that provides a quiet place to relax with another beautiful custom fireplace. Another full bath is located in the basement along with the laundry room. When you're not relaxing in your freshly renovated home, step outside into your cozy patio overlooking the large private fenced yard. Last but certainly not least, the home is complete with a 420 sq ft completely updated workshop with a large roll up 8x7 door for all of your storage needs and ongoing projects. This home has convenient access to Interstate 26, 20, Downtown Columbia & Lexington, Hospitals, and USC. Come ready to live, work and play here in this move-in ready desirable home that will not last long.
