Description

This home is very spacious. It has a large living room with a fireplace that can be used on chilly days and evenings, an eat-in kitchen area that leads to a balcony where you can enjoy your morning coffee. There is a formal dining room for large get-togethers, an office area for remote/work-from-home days, and a roomy owner's suite with its adjacent bathroom. There are three additional bedrooms, a den with a fireplace and a small bar area and an adjoining game room. The first level might be able to be used as multi-generational home sharing. On this two-acre homesite there is also a pond. The home is about ten minutes from downtown Georgetown with its restaurants, boardwalk and East Bay Park with courts for playing tennis or pickleball, a one-mile walking path, and boat landing. It is about 25 minutes from Pawleys Island beach and go about another five minutes to be at the beautiful Huntington State Park and beach. There is also a very nice bike trail in Pawleys Island. You would be approximately an hour from Myrtle Beach and approximately an hour and fifteen minutes from Charleston. There is a plethora of things to do, or just stay and enjoy this home. Square footage is approximate and not guaranteed. Buyers responsible for verification.
