Description

Located within the exclusive Daniel Island Park, this charming cottage provides the best of both luxury and convenience. The open and airy front porch welcomes you and has plenty of space for furniture and plants. The interior details are what make this home so special, with stunning hardwood floors, crown molding and built-in shelving. The gourmet kitchen is spacious and features stainless steel appliances, granite countertops, a kitchen island and a beverage fridge. Off of the kitchen is an eating area with a large bay window filling the space with natural light and beautiful scenery. In the living room, you'll find a built-in entertainment center and a rustic stone-surrounded fireplace. This home was designed to let the outdoors in and the sunroom does exactly that. This illuminated space has partially beamed ceilings and outdoor access, perfect for an art studio or reading area. The screened-in back porch overlooks the private Daniel Island Club's golf course beyond the well-manicured yard. The downstairs primary suite is generously sized as well as the closet and bathroom. The primary bath has a large double-sink granite vanity, a jacuzzi-style bathtub, and a standing glass shower. The secondary bedrooms each feature an ensuite bath. Upstairs, you will also find a flex space that can be used as a media room, office or playroom. This exceptional home comes with a social membership to the Daniel Island Club and is conveniently located near the Club, which offers a variety of amenities including pools, tennis courts, pickleball courts, a clubhouse, golf courses, and more. -- Buyer pays a one-time neighborhood enhancement fee of .5% x sales price to Daniel Island Community Fund at closing and an estoppel fee to the Daniel Island Property Owners Association, Inc. Property Disclosure and Community Fund Disclosure are attached.
