Description

The entryway of this 4 bedroom, 2.5 bathroom home opens onto a flex space that you can turn into a home office or a dining room. Just past it, the kitchen leads to a walk-in pantry and the family room. You can add a fireplace or a covered back porch to the family room. Upstairs, a laundry room and a full bathroom are conveniently located near the three spare bedrooms. The primary bedroom, which can have a vaulted ceiling, is connected to its primary bathroom and walk-in linen and clothes closets.
