Description

This fully renovated home features soaring ceilings and boasts one of the largest lots available in this price range on James Island! The living room centers around an impressive fireplace with coastal woodwork, drawing the eye upward and accenting the high ceilings. The abundance of windows in this open space allows natural light to fill the welcoming atmosphere. A dining room seamlessly connects to the kitchen, complete with a bar top, creating a fantastic open floor plan ideal for entertaining. The modern kitchen is designed for contemporary living and features sleek quartz countertops, an oversized stainless steel farmhouse sink, stainless steel appliances, and a large triple window for additional light. Luxury vinyl plank flooring extends throughout the first floor, including the kitchen. Step outside to the backyard patio, where you can enjoy a spacious yard partially shaded by trees and perfect for grilling. Two additional bedrooms are located downstairs and share a beautifully remodeled full hall bath that reflects the home's modern aesthetic. Upstairs, you'll discover a spacious primary suite with vaulted ceilings and a large walk-in closet. The luxuriously appointed bathroom includes a standing shower and sleek, modern finishes. Located just 10 minutes from Downtown Charleston's historic sites, shopping, and entertainment and a quick 10-15 minute drive to Folly Beach, this fantastic location on James Island offers the best of both worlds. Enjoy nearby local eateries, a movie theater, and excellent public schools. This full home renovation is well priced and ready for move in!
