Description

Spacious one story home with oversized entry foyer.. 3 bedrooms are on the main level, one room can easily be used as an office with great double door entry. Great room has inviting gas log fireplace and all opens to a formal dining room, there is also a spacious breakfast room off the kitchen which leads to entry of double car garage. The master bedroom overlooks the backyard and has large walk in closet, en-suite bath including dual vanities, garden tub and separate shower. The 4th bedroom (which is a great size)is over the garage and has closet and completely separate HVAC system. Enjoy the screened porch and overlook the private back yard. The water heater is a gas unit in the garage. HVAC is a split unit. for the main level. All curtain rods and blinds convey.
