Description

What is home ownership? Is it more space to have family and friends visit? Is it a goal that you have had for years and worked hard to achieve? Is it a fresh start in a new place? Is it the blessing that you have been patiently waiting for? If you answered yes to any, or all, of these questions, Welcome home to 7928 Shadow Oak Dr. This well-appointed, TRUE three-bedroom town house boasts a BRAND NEW HVAC, zero lawn maintenance, newer windows, and a screened in porch that's NOT facing 15 other homes, but rather a serene tree buffer, all for under \$230,000! But, the discerning buyer that you are, you are probably wondering what else makes this home special? How about a floorplan perfect for entertaining, with a living room that opens to the dining area that flows seamlessly into the kitchen complete with large island ideal for anchoring great conversations. Or, what about storage? We all remember growing up hearing our parents complaining about having too much storage in the house...NOT! Well, you might in this house because you have outside storage just off the screen porch, you have a DEEP storage closet under the stairs, you have shelving in the laundry room and a pantry in the kitchen too! And if those reasons aren't enough, how about the tried and true: location location location. You are mere minutes from food, shopping, the interstate, the airport, and lastly, but definitely not least-ly, a short walk to the neighborhood pool and clubhouse. Still on the fence?? The cherry on top of this home ownership sundae is an HOA that covers new roofs, your termite bond AND your water and sewer bill, among many other things. So, whether you are looking for your first home, your last home or a place with a front porch to put your garden gnome, 7928 Shadow Oak Dr is where you want to call home.
