Description

This exceptional 4-bedroom, 4-bath home is the perfect blend of luxury, comfort, and convenience. From the moment you step inside, you'll be captivated by the open-concept design, where the gourmet kitchen seamlessly flows into the spacious living area, both beautifully enhanced by custom lighting. The main-level owner's suite offers a private retreat, while a dedicated office space provides the ideal work-from-home setup. Upstairs, you'll find an additional living space, wired for speakers and a projector, making it perfect for movie nights or game days. Need extra flexibility? There's another generously sized room upstairs that can easily be used as a media room, playroom, or additional workspace. Step outside to your covered back porch and take in the peaceful river views, with no neighbors behind you, just a beautiful natural oasis. This barely lived-in home is perfectly situated just five minutes from the airport, two minutes from a hospital, and mere moments from I-385, grocery stores, restaurants, and more. The oversized three-car garage provides ample storage and parking, making this home as practical as it is beautiful. Don't miss the chance to call this stunning property your own! (taxes reflect the raw dirt cost)
