Description

This rare 4/3 needs a new owner! The open floor concept is ripe with flexibility. The master bedroom is separate from the other bedrooms for more privacy, and has a large walk-in closet. The master bath has dual sinks and a walk-in shower with two showerheads. The huge windows let in tons of natural light in the main living areas. The kitchen has plenty of storage space, including a pantry. You can step out onto your covered patio and enjoy the oasis the backyard has to offer. Recently sodded, full privacy fence, and fig and lemon producing trees! Doghouse/small storage will convey. Two other bedrooms and a bath are downstairs on the other side of the kitchen, as well as an area for either, a formal dining area, flex office space, formal living nook, etc. Finally, upstairs you have a full 4th bedroom and a full 3rd bath that make the perfect guest suite. Don't miss the garage- it also has extra storage with a door to keep all your house supplies and decorations. All of this is super close to Hawk's Nest, Hanahan's newest park. Roof to be replaced within the next couple of weeks. Owner is married to a licensed agent.
