This beautifully crafted natural gas home is located in a tranquil, amenity-rich community featuring a resort-style outdoor pool and quiet, tree-lined streets. From the moment you arrive, the grandeur is evident—an oversized three-car garage and extra-wide driveway provide ample space for guests, comfortably accommodating six or more vehicles with ease. Step through the custom wrought iron front door—a stunning architectural statement unlike any other—into a welcoming foyer that sets the tone for the elegance and comfort found throughout. Boasting 5 spacious bedrooms plus a flex room perfect for a private office, study, or even a 6th bedroom, this home is designed to adapt to your lifestyle. The flex space features upgraded glass doors that invite natural light and add an elegant touch to your work or relaxation space. The main living area is a showcase of refined comfort, featuring a fireplace, floating shelving with built-in storage, and a seamless flow into the gourmet kitchen—all centered around a breathtaking 10-foot sliding glass door that opens onto your own private covered patio. A hot tub awaits, while pull-close privacy fencing transforms the space into a secluded retreat—your personal outdoor oasis. The primary suite on the main level offers a luxurious escape, complete with double vanities, an expansive walk-in shower, and a generous walk-in closet. Upstairs, a second ensuite bedroom offers the feel of a second primary, while three additional spacious bedrooms provide flexible options for guest rooms, a second living area, or whatever your lifestyle requires. Gas appliances, gas water heater, and even pre-installed connections for a future gas-heated pool ensure your home is both elegant and efficient—ready to meet your every need with modern comfort.
