Description

Come home to Sylvan Woods by Milestone custom builders. Just 5 min's to the Pelham Medical Center, less than 10 min's to I-85. A rare opportunity to create your custom home with the Upstate's premier custom builder, their customer service always goes the extra . . . Milestone. Set on a spacious level lot in this private enclave overlooking the serene 5-acre pond. This is one of three To Be Built Milestone homes. Each lot ranges from 2/3 to 3/4 acre (ample space to add a pool). Milestone luxury features: open concept, high ceilings, recessed LED lighting throughout, hardwood floors (no carpet on main), ceramic tile, and top-of-the-line stainless appliances in the open quartz kitchen with generous walk-in pantry. Primary suite AND two guest bedroom suites are all on the main floor, as well as a spacious home office (that can easily serve as an overflow guest room). The Great Room with gas logs flows easily to the screened porch, also with fireplace. Upstairs: generous Rec room above the 3 CAR ATTACHED GARAGE, plus the 4th bedroom suite.
