- Traditional

Description

Location is key! This home is perfectly positioned between downtown Simpsonville and downtown Mauldin, with easy access to HWY 385 for a quick commute to downtown Greenville. Nestled within the secure, gated community of Townes at Brookwood, this end-unit townhome offers over 2,000 square feet of maintenance-free living. On the main level, you'll find a primary bedroom featuring an en-suite bathroom and a spacious walk-in closet. The kitchen dazzles with granite countertops, stainless steel appliances, and beautiful cabinetry, all flowing effortlessly into a living room with soaring ceilings. A formal dining room at the front of the home sets the stage for memorable gatherings, while a convenient powder room and a walk-in laundry/mudroom with direct garage access complete the level. Head upstairs to discover a loft overlooking the living area, two generously sized bedrooms, a full bathroom, and a large storage room—no need to clutter the 1-car garage with off-season items! Outside, enjoy a screened-in porch that keeps those South Carolina bugs at bay, and an extra parking pad out front means you'll always have room for your vehicles or guests.
