Description

This stunning Compton floorplan offers easy one-level living in an open-concept design. Hardwood floors flow throughout the main living areas, complementing the kitchen's granite countertops and stainless steel appliances. A large flex room provides versatile space for a home office, den, or dining area. Natural gas powers the heat, stove, and water heater. This plan combines comfortable living with modern amenities and a connection to nature. The covered back patio provides tree and pond views. Heritage preserve amenities include a pool, cabana, picnic area and playground. Don't miss the chance to see this beautiful home.
