Description

Want to be in Old Mt. Pleasant on an oak studded lot? This older home in an X flood zone fits the bill! It's within walking/biking distance to great schools, the Pitt St. bridge, restaurants, and beaches. The corner lot is enchanting with huge historic oak trees surrounding the existing home. Home has hardwood floors under the carpet, a long standing termite bond and could be extensively renovated or rented out until plans have been approved at Town of Mt. Pleasant.
