## Description

Why build and pay extra for upgrades when everything you want is already here at 832 Descartes Drive? This home offers 3 bedrooms (which one of the bedrooms downstairs is being used as an office. Could also be used as a dining room) 3 full baths in a beautifully landscaped setting. Overlooking a tranquil pond, the home features inviting outdoor spaces, including a spacious front porch and a screened-in porch--a thoughtful upgrade by the owner. Inside, luxury vinyl plank (LVP) flooring flows throughout the main level, with Red Oak LVP on the stairs and landing. The master bath is elegantly finished with ceramic tile. The gourmet kitchen is a perfect blend of style and function, featuring quartz countertops, a striking herringbone backsplash, and an oversized single-basin sink. High-end appliances include a fingerprint-resistant stainless steel microwave, a wall oven with an air-fry feature (Wi-Fi-enabled), a 36" five-burner gas cooktop, and an exterior-vented range hood. Smart storage solutions such as a walk-in pantry, soft-close cabinetry, under-cabinet lighting, pull-out shelves and trash bin, and built-in racks for baking sheets and pot lids make this kitchen a chef's dream. The main-floor owner's suite offers a peaceful retreat with a spa-like ensuite bath, complete with a walk-in shower and additional shelving. A second main-floor bedroom, currently used as a home office, adds flexibility and is enhanced by elegant double glass doors. Soaring nine-foot ceilings enhance the sense of space, leading to the upper level, which includes a private third bedroom, a full bath, and a maintenance room with extra storage. Additional upgrades include custom wainscoting and chair railing in the entry hallway and kitchen island, a storm screen door, a freshly painted garage with ceiling and wall-mounted storage, garage door wi-fi enabled and HVAC wi-fi enabled with a battery back-up. Conveniently located in Nexton, this home is just minutes from shops, restaurants, medical offices, a hospital, and grocery stores like Harris Teeter and Publix. Plus, it's only a short drive to historic downtown Summerville. Don't miss the chance to own this beautifully upgraded home; it's a must see. Community amenities include pickleball courts, scenic walking and biking trails, a tranquil pond with pavilion seating, a dog park, and a dedicated pickleball patio for relaxing between games.
