Description

Do not miss this wonderful home on peaceful Edisto Island. This well maintained home sits on 1-acre and is less than 4-miles to Edisto Beach. The property has had a number of recent updates including a new roof in 2022. New windows in 2016. New flooring, and sheetrock in 2018. Newer kitchen appliances. The home is on a crawl space with only a few stairs to navigate. There is a mud-room on the side of the home with ample storage space and a side by side washer and dryer. There is plenty of room in the well maintained yard for a garden or backyard patio. This is a great opportunity to purchase a home on Edisto that is ready to move into.
