## Description

Welcome to 8389 Chisolm Plantation Road--a private, peaceful, and picturesque escape nestled on over 8 acres of Edisto Island beauty. This charming 3-bedroom, 3-bathroom home was built in 1998 and offers 2,592 square feet of flexible living space. The upper level welcomes you with an open-concept design featuring a bright kitchen, dining, and living area under soaring ceilings. A spacious bedroom, full bath, utility room, walk-in closets, and a screened-in porch overlooking the lush pasture complete the main living quarters. Downstairs, discover two additional bedrooms and two full bathrooms, a cozy den, and a generous flex space ideal for a kitchen or creative studio--perfect for the crafter, hobbyist, or multi-generational living. The grounds are equally impressive, dotted with majestic oaks, magnolias, and pines. Most of the property is fenced for horses and includes two 12x24 run-in sheds, one with a 10x12 tack room, an additional shed with electric/plumbing, outdoor equipment storage, and a chicken coop. Enjoy access to a community dock and boat ramp with optional HOA. All this, just a short drive to Edisto Beach and 45 minutes to Charleston. A rare opportunity to live the Lowcountry lifestyle.
