Description

Welcome to this wonderfully updated home on a cul-de-sac centrally located to everything Charleston! All on one level with brand new LVP flooring in the common areas and primary bedroom, the home features a tastefully modernized kitchen with stainless appliances; laundry room just off the kitchen, and a cozy fireplace in the sizable living room. To one side of the living room is the primary suite with walk-in closet, and en-suite bathroom; and down the hall are your 2 guest bedrooms and full bathroom. Out back is the backyard set up to entertain with a patio area, fire pit, swing set, and a lot of space for activities, otherwise. Other features of the home include a 2-car garage, closets for storage, and an architectural shingle roof. Schedule your showings today to see this place inperson!
