Description

This is one of Mungo Homes Most Favorite Plans! There is a guest bedroom on the main level and this home offers both formal areas. As you enter in to the large foyer there is an office and a formal dining room with a coffered ceiling! Chef style kitchen with a gourmet style appliance which includes a gas drop in cook-top and a double wall oven. There is an island, large eat-in area and a pantry to support the gourmet feel. The family room is accented by the sunroom which has great space to spread out when you have guest. Upstairs there are 2 bedrooms that share a jack and jill bathroom and a fourth bedroom upstairs with a private bathroom. The primary bedroom is large and has a sitting room! Two walk in closets! Great space you must come and see this home!
