Description

BE SURE TO WATCH WALK-THRU VIDEO INCLUDED IN LISTING!! This might be the best floorplan in all of Margate. Four bedrooms, three full bathrooms and over 3,000 total sq. ft. The floorplan is spacious and full of light. You'll love the way it flows. Nine-foot ceilings, crown molding in the living room, new wood LVP floors throughout, tile in the kitchen and bathrooms, white cabinets and stainless steel appliances round out the lovely features of this home. Westerly view with sunsets with no ocean view -- all reflected in the asking price. If you would like to be part of the Margate, at a very reasonable number, this may be your chance. Kingston Plantation is a 145-acre, master planned community in the heart of Myrtle Beach. Kingston offers a combination of amenities and preserved natural environment that's unparalleled. One-half mile of white sand beach, twelve acres of freshwater lakes and mature trees, all surrounded by beautifully manicured grounds. The Plantation offers amenities such as a magnificent Spa and Fitness Center, four clay and hard surface tennis courts, four pickleball courts, multiple pools, badminton, croquet, beach volleyball and much more! Kingston offers a selection of one, two, three and four bedroom villas, townhomes, lakefront lodges and oceanfront high-rises through the community.
