Description

The secret to eliminating yard work and enjoying a swimming pool that is a mere half block away is to buy this great townhome! Coosaw Commons is a beautiful development with attractive landscaping and buildings. From the front door, the foyer leads to the family room, which is open to the kitchen and dining area. Having two primary bedrooms, both with en-suite baths and walk-in closets, makes this home perfect for two professionals or a small family. The one car garage is an added bonus, as well as a screened porch. All appliances convey to the buyer, including washer and dryer. There are many dining and shopping options within minutes of this home. Charleston airport and Joint Base Charleston are within 10 minutes, 30 minutes to downtown Charleston, and 45 minutes to the beaches
