Description

Welcome to 9 Cardwell St. where you are located in one of Greenville's oldest neighborhoods named Dunbar -where the history lives and the neighbors look out for each other with nothing but smiling faces that welcome you as you come and go from this wonderful neighborhood within basically a mile of both of the downtown Greenville Hospital systems; 1 mile from downtown Greenville, South Carolina, where you find all of the amazing restaurants and shopping it is known for and so much more! This home has been completely renovated and includes a large front porch with wonderful views that would be perfect for your rocking chairs or even add a bench swing with it, inviting curb appeal to include wrought iron railings and a large front yard! You will love the ceiling heights as you enter as they are approximately 10 feet high with large room sizes and an open floor plan! Additional features include newer windows, a brand new kitchen complete with quartzite countertops, custom tile backsplash, brand new appliances including the refrigerator, built-in microwave, smooth top range with oven, dishwasher and new cabinetry! You will also love the fresh paint throughout as well as the large master bedroom with great size closet, and direct access to a full bath with all new features as well. Additionally, you will love the rear alley access as it provides ample room for parking and kids that play or even your own private garden! Opportunities like this at this price just do not exist in this location within the downtown Greenville area. Come see for yourself today by scheduling your private showing!
