Description

Certainly a Rare Find. The Reserve at Asheton Lakes offers a private (gated) community in the heart of Woodruff Road. This is a well maintained and spacious 3 bedroom unit with TWO FLEX rooms. These Flex Rooms can be converted to bedrooms if needed. The welcoming covered front porch leads to the wood floored foyer and Dining Room. Beyond is the Chef's kitchen with ample upgraded cabinets, two pantries and eat at granite counter space. Note the smooth top stove has a gas connections if owner desires to cook with gas. The huge great room with fireplace is perfect gathering spot for friends and family. Overflow to the private screened porch and private back yard. Being an end unit in a cul de sac is perfect, A half bath and huge laundry room is on the main floor as is the Primary Bedroom. The Owners bedroom, has a walk in closet, full bath with 2 sinks, shower and loads of room. Note the updated light fixtures throughout the home. And the 2' blinds in all windows. Upstairs there are two bedrooms sharing a hall bath. But the upstairs space offers two huge FLEX Rooms. One over the garage is big enough for a pool table, and sitting area for TV. The second FLEX Room could be converted to a 4th bedroom if needed. It has the space plus a study nook, or nursery nook. There is so much you can do with this home. Even the large upstairs landing space could be utilized for an office. The attic has extra plywood laid out for additional storage. The location is off Woodruff Road near Highway 14 and Five Forks. The community pool is an easy walk, and the community contains three beautiful lakes with a walking path around them to enjoy all of nature. The Reserve at Asheton Lakes is assigned to Oakview, Beck and JL Mann. This is a PRIME location.
