- Rectangular Lot

Description

Ambidextrous. This beautiful DeBordieu home can be utilized in several different ways: It is perfect as a family 2nd home beach house or as an extremely comfortable permanent residence. There is a ton of living and entertaining space to go along with the 5 bedroom 5 1/2 baths (with a very large playroom/bunk room with full bath). The multi car garage has ample space for cars, boats, and golf carts, and also has a separate workshop. The large deck is perfect for evening cocktails/grilling with friends and family and has a terrific view overlooking the Pete Dye golf course and vistas beyond. The fenced yard, which is ideal for pets or children, is beautifully landscaped and also features a fire pit for additional outside entertaining. The entire property, both inside and out, has been meticulously maintained by the owners and is move in ready. This home is not to be missed.
