Description

Welcome to the kind of home that doesn't just check boxes--it creates a lifestyle. Tucked away in the coveted community of Stiles Point on James Island, this reimaged 3-bedroom, 2-bath split-level stunner blends laid-back Lowcountry charm with curated design and high-end upgrades on an expansive 0.54-acre lot that feels more like your own private retreat. From the moment you walk in, you're greeted by a light-drenched, open-concept living space designed to impress and entertain. Gleaming updated floors flow throughout, leading into a beautifully renovated kitchen outfitted with upgraded appliances, including a full-sized stainless steel fridge and freezer and a sleek conduction cooktop air fry oven--perfect for effortless gourmet meals and next-level entertaining. The thoughtful floor plan maximizes flow while delivering cozy, functional zones for everyday living. Upstairs, the primary suite offers a peaceful escape, complete with an en suite bath and generous closet space. Two additional bedrooms provide room to grow, host, or create. Downstairs, a bonus den sets the mood for movie nights, a stylish home office, or a next-level playroom. You'll also love the heated and cooled FROG storage area, giving you comfortable, practical space most homes only dream of. But the real showstopper? The backyard. This is where everyday life turns into a staycation. Picture this: a regulation bocce ball court, your own sandy "backyard beach" with a fire pit, a screened-in porch with a built-in BBQ station, and a newly purchased 6-person hot tub bubbling under the stars. There's even room to add a pool if you're craving the full resort experience. A 7-zone irrigation system keeps the grounds green and gorgeous, while a 6x8 storage shed keeps everything tidy. Tucked behind the landscaping, you'll also find a private designated area for parking an RV, boat, trailer, or other toys a rare and highly desirable feature that offers both convenience and peace of mind. A durable metal roof, new HVAC system, and encapsulated crawlspace with vapor barrier round out the long list of upgrades that make this home as smart as it is stunning. Located just minutes from Folly Beach, downtown Charleston, local parks, and just a short stroll to Stiles Point Elementary, this home offers the rare combination of privacy, convenience, and pure everyday magic. If you've been searching for a home that brings the dream to life you've just found it.
