## Description

Built in 2018 by Cook Bonner Construction, this turnkey property is set on a private lot with stunning views of the Charleston Harbor, the City of Charleston and Ravenel Bridge. Its expansive Lowcountry vistas are truly spectacular and can be enjoyed from nearly every room in the house. This elevated home greets you with a beautifully landscaped front yard and a spacious full-front porch. Stepping inside, the first level boasts a spacious chef's kitchen equipped with double ovens, a built-in refrigerator, gas cooktop and a walk-in pantry. There is also a separate prep kitchen with additional storage. The kitchen opens into the dining and family room. A first-floor primary suite is beautifully appointed with an exquisite bathroom, dual walk-in closets and access to a screened-in porch with a gas fireplace. Upstairs, there are three bedrooms with en suite baths and a wonderful office with a porch overlooking the water. The main porch off the family room and covered patio with a wood-burning fireplace overlook the fantastic waterfront backyard with a private pool and impressive dock with two lifts - one for a boat and another for smaller boat and/or jet skis. The ground level area also has convenient covered parking, storage galore and access to the elevator and staircase to the main level. With breathtaking views, unparalleled tranquility, and a lifestyle that's truly one-of-a-kind, 939 White Point Boulevard is the ultimate Lowcountry retreat.
