Description

Nestled in the highly coveted Snee Farm neighborhood of Mount Pleasant, this remarkable estate blends classic Lowcountry charm with modern functionality--and includes a newly built detached guest house/in-law suite, offering an additional 646 square feet of private living space (not included in listing square footage). Whether you're hosting extended family, welcoming guests, or exploring rental potential, this thoughtfully designed addition elevates the property's flexibility and appeal. From the moment you arrive, the freshly painted circular driveway, lush landscaping, and swaying palm trees set the stage for a home that is as inviting as it is impressive. Step through the grand glass front doors into a bright and airy foyer, where natural light pours in, highlighting the elegant staircase and seamless flow of the main living spaces. To the right, the formal living room exudes warmth with a cozy fireplace and direct access to the expansive deck, perfect for soaking in views of the private, fenced backyard. Adjacent to the living room, the formal dining area also boasts deck access, creating an effortless indoor-outdoor entertaining experience. At the heart of the home, the showstopping kitchen is a chef's dream, featuring high-end stainless steel appliances, custom cabinetry, and ample counter space. Just off the kitchen, the step-down family room offers a comfortable retreat with a second fireplace, built-in glass shelving, and generous space for gatherings. A full bathroom with step-in shower and a laundry room complete the main level. Upstairs, the primary suite is a true sanctuary with dual closets and a spa-like ensuite featuring double vanities and a step-in shower. Two additional bedrooms and a second full bath complete the upper level, with one bedroom offering a unique bonus step-down area perfect for a playroom, office, or creative space. Step outside to the expansive deck with built-in seating, an ideal spot for entertaining or unwinding while overlooking the mature crepe myrtles, azaleas, and garden beds. With plenty of space to possibly add a pool, this backyard is a private oasis waiting to be customized. The detached guest house is equally impressive, complete with a full kitchen, cozy living room, private bedroom, bathroom with step-in shower, and its own washer and dryer perfectly suited for multigenerational living or additional income. This home has been well maintained with thoughtful updates, including a newly encapsulated crawl space and updated plumbing. For those seeking a resort-like lifestyle, an optional membership grants access to a George Cobb-designed golf course, 18 tennis courts, and two swimming pools. A transferable home warranty is in place through March 2027, providing additional peace of mind. Conveniently located just 1.4 miles from Belle Hall Shopping Center, 1.9 miles from Mount Pleasant Towne Centre, 6.3 miles from Isle of Palms Beach, and 7.1 miles from Historic Downtown Charleston, this home offers both luxury and convenience in one of Mount Pleasant's most desirable neighborhoods. This is a rare opportunity to own a meticulously designed estate in Snee Farm. Don't miss your chance to experience this one-of-a-kind property. [schedule your private tour today.](#)
