Description

Sands Ocean Club Unit 619 is a 2 bedroom 2 bath unit that faces the west with a marsh view. From your balcony you will enjoy a wonderful view of our South Carolina sunsets. This floor plan features a open kitchen with a full size refrigerator, microwave, dishwasher, and a range. Sands Ocean Club has always been one of the most popular resort destinations in Myrtle Beach. Sands Ocean Club Resort is located directly on the ocean front. You and your guests can enjoy the large outdoor pool, lazy river, a heated indoor pool, hot tubs, an exercise room, dancing and live entertainment at the famous Ocean Annie's Pool Bar. One of the best hamburgers on the beach is on-site at the River City Cafe. Enjoy Windows Restaurant's breakfast buffet in the morning and the Sandals Night Club for cocktails in the evening. All of this is enjoyed without ever leaving the resort. Just minutes away you and your guests can go shopping at the Tanger Outlets, the Myrtle Beach Mall, Barefoot Landing, or Broadway at the Beach. Evening entertainment at The Carolina Opry, Alabama Theater, and The Pirate Voyager Theater are just minutes away too. For golfers there are some of the most challenging golf courses on the Eastern Seaboard with an endless choice of restaurants. All measurements and square footage are approximate and not guaranteed. The buyer is responsible for verification.
