Style

- Traditional

Description

So much house for the money, in the quaint town of Williamston, not to mention in Anderson District 1 schools. You will find almost 2800 square feet of living space on the main level. There are 4 bedrooms and 2.5 bathrooms. This home has so many features. An incredible amount of natural lighting throughout the entire main level. A very large kitchen perfect for the chef in the family, double ovens for those family dinners and get togethers. Beautiful hardwood floors. There is a fireplace in the family room. Nice size laundry room also. Beautiful sunroom that overlooks the oversized deck on the back. That's not all, upstairs you will find almost 1200 square feet of unfinished space needing only a few minor finishes. Upstairs there are two more bedrooms, bathroom and a large flex space area. This house has tons of potential. Great location, near schools, and is very centrally located near Anderson, Easley, Greenville and Powdersville.
