## Description

Welcome to your own private Lowcountry haven! This coveted ten-acre Johns Island property offers unparalleled views of the iconic Lowcountry landscape, with lush greenery and towering trees that create a serene and captivating backdrop. Whether you're dreaming of a sprawling estate or looking for a prime opportunity in agriculture, this land offers endless potential and invites you to make it your own. Envision your perfect estate tucked away in a serene, private setting, or explore the incredible potential for agricultural ventures, from hobby farms to sustainable living--this expansive land offers limitless possibilities. Whether you're looking to build an idyllic retreat or pursue your passion for farming, the fertile soil and vast acreage ensure a future as expansive as the views. While you'll savor the quiet tranquility of country living, you'll never be far from the conveniences of modern life. Just a short drive from Johns Island's finest restaurants, shopping, and essential services, everything you need is within reach. And when you crave the coast, Seabrook Island Beach and Kiawah Island Beach are only minutes away--20 and 15 minutes respectively--where sun-kissed days and ocean breezes await. If you're seeking an extraordinary location with endless possibilities, this Johns Island sanctuary is ready to welcome you. Schedule your showing today and let your vision take shape in one of the most stunning and coveted corners of the Lowcountry.
