The Osborne Tract represents over 500 acres of preserved Lowcountry wilderness surrounded by other large permanently protected properties just 30 minutes from downtown Charleston. A deer and turkey haven, this tract encompasses 453+/- acres of naturally regenerated old growth mixed pine hardwood habitat, more than 15 food plots, and an inland rice field that could be managed for waterfowl. There is a good road system in place for easy access throughout the property and a rustic 150 sq ft cabin on site equipped with propane, providing a cozy base for recreational use. This land is ideal for those looking to enjoy the outdoors in the Lowcountry. Located on Spring Grove Road just off Hwy-17 in the renowned ACE Basin.
