## Description

WOW!! What a view!! This is absolutely one the THE BEST and most peaceful views in Murrells Inlet. From the shoreline of this property (or the front porch of your future home you can build here), you have a clear view of the causeway at Huntington Beach State Park, The Jetties of Murrells Inlet that lead out to the Ocean, and all beautiful birds and wildlife you could ever imagine!! All on nearly 3/4 of an Acre!! Hospitals, great food & drinks, Live music, locally owned shops & stores, and public parks/playgrounds are all within a minute or 2 away, PLUS a Bike & Walking path that connects at the entrance of the neighborhood that runs all the way to Huntington State Park and up to the Murrells Inlet Marshwalk!! And with very Low HOA fees, private cul-de-sac road, CREEK-FRONT LOT, and very limited availability make this a hard to find hidden gem in one of the last areas of "Old Murrells Inlet".... You do NOT want to miss out on this!!
