Description

Looking for a quiet building lot, near the ocean and in one of the most quaint beach towns on the East coast? Look no further! This is ONE of TWO lots being listed on a beautiful shaded street in Surfside Beach. Each lot measures 60' x 120' and both are mostly cleared. A 1200 square foot beach cottage currently sets on the property, but will be moved when one of the lots sells. The survey was just completed and the lots are ready for your new home!
