Description

This property is just over 56 acres and is located at the intersection of Santee Road and Suttons Road. Approximately 9 acres near the front of the tract have been cleared, and sections of this portion of the property have been leveled for a homesite and shed. Road access has been created via Suttons Road with a gravel driveway. The remaining 47 acres are wooded with pines and hardwoods. Deer, turkeys, and doves are plentiful in this area, making this an ideal property for the sportsman. The combination of the ready-to-build homesite and location makes this property perfect for a home in the country or a weekend getaway. Santee Road is lined with beautiful farms and properties and this one will be no exception. This property is less than a mile from Wee Tee State Forest. Just 7 miles off Highway 41, this property offers easy access to Charleston, Georgetown, and surrounding areas.
