Description

This beautiful property is just outside of Kingstree and provides road frontage on both Sumter Highway and Buck Strong Road. At just over 33 acres, the tract is mostly open farmland that is planted seasonally. Central to the property is an old lane, framed by two pecan trees at the entrance leading from Sumter Highway. At the end of the lane is an old home place. This small portion of the tract is surround by accent live oaks and would make the perfect place for a house. Water is available at the road, and a power line extends to the homesite.
