Description

New Listing! Beautiful 26 +/- acre tract with tons of Black River frontage, private concrete boat landing, electricity and septic already in place. Let yourself unwind at this wildlife rich, secluded getaway where you can retreat from the hustle and bustle of the 9-5. This Williamsburg County property is only a few minutes from the town of Kingstree, but deep enough to where the only sound you will hear are the bream popping, and the ducks a droppin. Enjoy watching your children or grandchildren discover nature and learn about the outdoors in the mature southern forestland covering the tract. Several sandbars also add a summertime swimming component to the tract that comes at a fraction of the costs of a high maintenance swimming pool. Many many memories are gonna be made here with a particular family. Make sure its yours!! Property is 3 tracts being sold together - pin #s: TMS: 45-128-022, TMS: 45-128-019, TMS: 45-128-021.
